

Bee Smart[®]

D E S I G N S

Ultimate Bee Feeder & Waterer

The most Bee Friendly and User Friendly, In-Hive Feeder/Waterer with No-Spill, EZ-Grip Removeable Tank.

Removeable drip-free tank can be placed on top of Frames or Inner Cover.

1 gallon tank is easy to fill and replace on Feeder. Automatic valve maintains uniform syrup level.

Large feeding area with steps and narrow channels make it easy for bees to access food without crowding or drowning.

Made in USA
with Recyclable
Materials

For happier, healthier bees,
